In the event of an accident, contact the Pohjola Health Advisor service

- You can call Pohjola Health Advisor for an expert opinion on your symptoms and, if necessary, a referral directly to the most suitable medical professional at your nearest Pohjola Hospital or Pohjola Insurance partner doctor or clinic.
- The Health Advisor will check what your insurance policy covers when you use medical services subject to charge and handle the claim for you. At the appointment, you will only pay the deductible for the treatment, if there is a deductible.
- If there is no need to visit a doctor, you will receive clear instructions for home care, ensuring a speedy recovery.
- Outside service hours or in emergencies, you may visit any clinic or hospital to receive first aid. In these cases, you must first pay the medical expenses yourself and file a loss report in OP-mobile or OP eServices.

The Pohjola Health Advisor is available at tel. 0100 5225 and in the Pohjola Hospital app. Calls are charged at the normal mobile phone or local network rate. The Pohjola Health Advisor service is provided by Pohjola Hospital Ltd.

Which treatment and examination expenses are compensated?

Sports Cover provides comprehensive cover for costs of doctor's appointments, medication, examinations and surgery for a maximum of three years:

- fees for examinations, treatment and surgery performed by healthcare professionals at their practice or clinic for each sudden event

- daily hospital charges
- costs of dental injury examinations and treatments with no time limit for compensation
- costs of orthopaedic braces or bandages for the treatment of a coverable injury
- costs of physiotherapy to recover from a fracture, surgery or plaster treatment. Physiotherapy is also covered in knee and shoulder injuries where physiotherapy is applied instead of surgery. However, physiotherapy is only covered for a maximum of 10 sessions per sudden event.
- rental costs of forearm or underarm crutches
- travel expenses to the nearest hospital or clinic.

We require that any treatment and examinations have been prescribed by a doctor, conform to generally accepted medical practice and are necessary for the treatment of the injury.

If the insured person does not reside permanently in Finland and sustains a loss in Finland, we require that examinations and treatment begin in Finland.
